

# HengLong RC Tank 1/16 Upgraded Russian T90 Remote Control Tank Model Tracks Sprockets 3938 Battle Tank for Kids

## Features:

1. 2.4GHz frequency provides accurate operation and farther RC distance.
2. High simulation of real tank will provide you a cool and true feeling.
3. The turret can rotate 320 degrees and the barrel can be up and down 30 degrees.
4. It has the function of forward, backward, left turning, right turning, rotate, simulated sound, etc.
5. Made of quality materials, which are anti-impact and durable for long term use.
6. Independent suspension system relieves the shock and jolt of the model tank when on rough road.

## Specifications:

Condition: 100% Brand New

Item Type: RC Tank Toy

Material: Plastic

Color: Camouflage Yellow

Size: Approx. 63 \* 23.5 \* 18cm / 24.8 \* 9.25 \* 7.09inch

Total Weight: Approx. 7610g

Scale: 1:16

Control Distance: About 30m

Charging Time: About 120 Minutes

Remote Control Time: About 25 Minutes

RC Tank Battery: 7.4V / 1800mAh(Included)

Remote Controller Battery: 6 AA Batteries(Not Included)

Frequency: 2.4GHz

Plug: EU Plug

**Package List:**

1 x RC Tank (Built-in 7.4V 1800mAh Battery)

1 x Remote Controller(Batteries Not Included)

1 x Charger

1 Bag of Accessories

1 x UV Sticker

1 x Manual

**Note:**

Built-in 7.4V / 1800mAh battery for RC tank.

Turn on the power: turn on the tank switch first, then turn on remote controller switch.

Turn off the power: turn off the remote controller switch first.
